

## STINGER SPORTS

### SUMMER NOTES

July 14, 1987

#### VANIER STARS CONCORDIA BOUND

Six foot eight centre Dino Perin and six foot five forward Ernie Rosa have enrolled at Concordia University and will play for coach Doug Daigneault's men's varsity basketball team. Both players were standout performers for the 1986-87 National Champion Vanier College Cheetahs.

The Stingers have lost superstars Rob Latter and Craig Norman who both graduated this year, but Daigneault is confident Perin and Rosa will help fill the voids admirably. Another highly regarded recruit is six foot three guard Ron Schnell from Scott Park Secondary School in Hamilton. He averaged 20 points per game last season.

#### WOMEN'S SOCCER CHAMPIONSHIP AT LOYOLA

The first ever Canadian Interuniversity Athletic Union (CIAU) National Women's Soccer Championship has been awarded to Concordia University, Associate Director of Fitness, Recreation & Athletics Kathy McDonald has announced.

Concordia's bid to host the event was unanimously accepted by the general assembly of the CIAU in St. Catharines, Ontario recently. It will take place November 11 and 12 at the Loyola Campus with the Ontario Women's Intercollegiate Athletic Association (OWIAA) meeting the Atlantic University Athletic Association (AUAA) and the Canada West University Athletic Association locking horns with Quebec in semi final action on the Saturday. The championship match will be held the next day.

#### HOCKEY STINGERS JOIN ONTARIO

Concordia men's hockey coach Paul Arsenault is very excited about the upcoming 1987-88 season which will see his team join the Ontario University circuit. Concordia, Université du Québec à Trois Rivières, McGill, Ottawa, Queen's and Royal Military College will make up one of three divisions in the new 17 team league and play a 25 game schedule.

Intra-divisional play will see Concordia play Ryerson, Windsor, Western, Guelph, Brock, McMaster, Wilfrid Laurier, Waterloo, York and Toronto.

The Stingers have several exhibition games lined up including tournaments at UQTR and Union College in Troy, New York. Union is set to visit Concordia December 11th.

Action will begin in October. Arsenault expects a good turnout for tryouts when dryland training commences in September.

#### OPENING FOR FOOTBALL MANAGER

The Concordia varsity football team is looking for a team manager to begin work August 23. The successful applicant will be required to be at all practices. The team manager travels to all games with the Stingers and all expenses including meals and lodging, are paid by the club. The position is open to students aged 16 and over.
